Chip and token collectors have been around as long as casinos have, but it wasn't until the 1980s that collectors began talking with each other on a regular basis and dealers began to concentrate on casino material. Before the 1980s, chips and tokens could be found outside of casinos only as oddities: a few chips or tokens mixed in with a coin dealer's stock, or a few chips at an antiques shop or garage sale.

Two early chip dealers published short-lived newsletters, and a contributor to one of them was Archie Black, who lived not far from the relatively new casino gaming jurisdiction of Atlantic City, NJ. When the second of the two dealer newsletters ceased publication, Black, a chip collector with a long history of coin collecting and organizing coin clubs, decided to test the waters to see whether or not there might be sufficient interest to organize a chip and token collectors club similar to the coin clubs he had participated in. Late in 1987, Archie wrote to a number of collectors who appeared on the newsletter's subscriber list, inquiring about interest in an organized club.

The first issue of what would eventually become "Casino Chip & Token News", the quarterly magazine of the Casino Chip & Gaming Token Collectors Club at over 100 pages per issue appeared in January 1988, and was entitled "Atlantic City Chip & Token Newsletter." The five page newsletter was the creation of Archie Black, who began publishing his newsletter quarterly including news and history of the relatively new (10 years old) Atlantic City casino industry.

The response to the survey Black included in his first issue was overwhelmingly in favor of establishing a formal club, and the Casino Chip & Gaming Token Collectors Club was a reality. The initial group of collectors numbered about 20, but the charter membership was extended to the first 100 members. That goal was passed immediately after the Club's first annual meeting at the American Numismatic Association convention in Cincinnati, Ohio, that July.

The hobby expanded exponentially into literally every aspect of gaming in America and in fact across the entire world. No item too small or too large that had an identifiable logo or casino name attached to it went uncollected!

Items that became collectible included poker chips, casino chips, antique gaming chips, dice, match books, ashtrays, postcards, napkins, coasters, menus, plaques, silver strikes. The joke is that there is nothing out of bounds and people do in fact collect things that the average person would simply say, "You are kidding!" Table layouts for roulette, blackjack and craps, actual signs from the casinos, the glass fronts to slot machines, and of course the slot machines themselves!

The first (organizing) convention took place at the ANA convention in Cincinnati, Ohio on July 23, 1988. The first 5 conventions took place at the American Numismatic Association meetings! The first true CC>CC convention took place at the Aladdin Hotel, Las Vegas, in May of 1993!

CCA President's Welcome

The President's Welcome

A very warm welcome to the 30th CCA Convention. I'd like to start by thanking all volunteers, including many no longer with us, for all their hard work arranging the past 29 and hope this one will be just as good.

Thanks go to our hosts, the South Point Hotel & Casino, for all the services they are providing, and to all this year's volunteers, not least our Convention Chair, Jim Steffner. This will be our 14th Convention at South Point, our fifth different venue since Archie Black started the club in 1988.

The success of last year's events mean we have even more Celebrity/VIP guests on-hand to 'meet and greet' our members and visitors alike this year. Take note of their times and locations as detailed elsewhere in this program. Please also enjoy as many of the other events as you can – the seminars, poker tournament, and of course the banquet, for which we are delighted to welcome Eric Endy as our guest speaker, son of Paul-Son founder Paul Endy Jr.

Please support the Club in any way you can. As well as the wide array of merchandise available from the Club table, the two biggest annual fundraising events, the Auction & Raffle, take place during the show. Visit the raffle and auction tables for more info, to buy tickets and place bids, or attend the live auction yourselves. Bid generously, 90% of the lots are donated this year!

Lastly, the Club Annual Meeting takes place on Saturday morning. This is the forum to debate Club business and ask questions of the BoD or other Chairs.

Have fun!

David Spragg-President

Convention Chairman's Welcome

Welcome to the 30th Annual Convention of the Casino Collectibles Association. This show is for all of you and your guests to buy or trade anything related to casinos: chips, tokens, silver strikes, slot cards, room keys, ashtrays, dice, and anything else you may have or want. You will find a show floor of dealers offering the best collectible items you will ever find, along with some very knowledgeable dealers that can and will answer any questions you may have.

Does it seem possible that from an idea shared by Archie Black, club founder, and a few fellow collectors back in 1988 who wanted to get together and trade a few chips. That today has emerged a club of several thousand active members from every state in the U.S. and many foreign countries.

With the help of the many club member volunteers without their unselfish, unending assistance and dedication, and the participation of the dealers, this convention and show could and would not be possible. A big Thank You to all who played an important part in bringing you these fun-filled four days.

During the show, you can partake in some excellent educational seminars and an auction of some of the best chips, tokens, and casino memorabilia consigned by many of our members. There will also be a poker tournament, trading sessions, and local club meetings.

Check the schedule for any last-minute added events. If you need any help during your stay, please check at the registration desk, or the club table just inside the main entrance for assistance.

I want you to enjoy every minute of the show while gaining additional knowledge about this great hobby. Be it finding that elusive chip or token for which you've been searching, meeting new collectors, or visiting with older club members, that's what it's all about.....Having Fun!

IN LOVING MEMORY OF
SHELDON SMITH
DECEMBER 1944 – DECEMBER 2019

Sheldon loved the CC>CC/CCA! He joined this Club in 2001 and he and Christine were the Club's first husband and wife Life Members. In addition to volunteering at the Club's Annual Conventions, some of his activities in service to the Club were:

- From 2007 to 2011, Sheldon served as Education Director, offering a wide variety of seminars at the Club's Annual Conventions, designed to educate members and the public about our hobby;
- In furtherance of that pursuit, as the Club's Publicity Director, from 2007 to 2014, Sheldon issued many press releases regarding Club activities and accomplishments. He authored many articles that were published in Gaming Today and the "Journal of Antiques and Collectibles;"
- Sheldon initiated the Club's membership on eBay (in 2009) and on PayPal (in 2010);
- In 2010, Sheldon was awarded the Club's President's Award in "recognition of his outstanding efforts, dedication and support of our Club;"
- Sheldon worked tirelessly to expand Club membership and was also honored as "Recruiter of the Year" in 2014-2015;
- For four (4) years, Sheldon was honored to serve as the Club's Vice-President;
- Sheldon (with his Co-Chair, Christine) was pleased to serve as Convention Chair for the 2015, 2016 and 2017 Annual Conventions; and,
- Not limiting his love of the casino collectibles hobby to the national venue, Sheldon also served for eight (8) years as the President of the Southern Nevada Casino Collectibles Club (SNCCC), after serving one term as its Vice-President.

In all of his endeavors, Sheldon valued performance over promises and cooperation over divisiveness. He strived to be the voice of those who felt they didn't have a voice. As those who supported his eBay sales as "ONENEVADADOLLAR" surely remember, customer satisfaction was key to him. To all his friends and customers, as Sheldon loved to say, "Keep on Chipping!"

We are very grateful for the many members who work hard to insure the Convention is a success.

David Spragg - Secretary

Since joining the CCA 18 years ago, I've been a pretty active volunteer and officer and also organizing fund raisers. I am currently the auction chairman and webmaster. I also operate the Chipboard, Strikepoint and SlotCardBBS on-line forums and maintain the MoGH Preserving Gaming History website.

Jim Follis - Vice President

After a chance encounter with the 1998 Convention at The Orleans, Jim became aware that he was not alone in this hobby. Within 2 years of joining the Club at that Convention, Jim became a volunteer and has continuously held various appointed positions within the Club ever since. In addition to his elected position, he currently serves as a Board member of the Museum of Gaming History, Club Co-Historian and Convention Exhibits Chairman. After retiring in 2014, following 35 years of National Defense employment with the US Military and Government Contractors, Jim now resides in Las Vegas with his wife of 44 years, Pam Focazio and their son Casey. As a Life Member, Jim is always honored to be a part of the Club!

Bud Wisinski - Treasurer

I'm Bud Wisinski. I'm a Los Angeles resident and I live there with my wife of 41 years. I joined the club five years ago. I'm a very modest chip collector but I enjoy the Club magazine and convention. I joined the Club Board of Officers as treasurer because there was a need that I was well qualified to fulfill. A CPA, I have over 50 years of well-rounded accounting experience including small business bookkeeping, major accounting firm audit manager, CFO of a medium-size service firm and Financial Controller of a major entertainment company. Now retired; but I do all of the finance functions for the Burbank, California, Moose Lodge. I hope you enjoy the convention. I'll see you there (or in the poker room).

Jay Sands - Membership Officer

I started collecting casino chips and other memorabilia in the 1980s and I've been very active since then. Following some 40+ years in the motion picture business, in 2019 I retired and moved to Las Vegas. I joined the CCA in 1999 and since then I've been very involved in many aspects of the hobby. In 2004 I became co-chair of the Club Auction, and I've assumed that role again for the past 10 years or so. I have served as Vice President of the CCA on four different occasions starting in 2007, each time serving with a different President. I've been co-author of The Chip Rack for the past 13 years, co-promoter of Casinorama since 2017, and in 2022 I was honored to be inducted into the CCA Hall of Fame. In September of 2022 I was asked to serve as Secretary of the CCA, and in October I was also asked to serve as Membership Officer, which I have been working at since then.

GUEST SPEAKER - Eric P. Endy

Eric P. Endy, MBA, is the author of a new book that shares the story of his father’s life and his legacy to the gaming industry. Endy is happy to share his stories of the company, casino customers and historical gaming figures. “My father brought legitimacy to the gaming supply industry,” Endy says. “He developed new technology like microfilm in gaming chips to help prevent forgeries and the proprietary molding system that allowed us to use highly detailed color graphics on chips.”

19th Annual Bruce Landau Memorial Auction

Thursday June 15th- 7:00 PM- Joshua Room

Named to honor the memory of the Club's longtime Auction Chairman, Bruce Landau, the Annual Auction has proven to be the highlight of the International Convention. The auction features many hard-to-find chips and other casino-related items and is a critically important fundraising event for the CCA. Approximately 90% of lots were donated to the club (a huge achievement this time round).

David Spragg and Jay Sands are the 2023 Auction Co-Chairs. They have assembled some excellent lots for this year's spectacular event. You won't want to miss it.

The auction itself consists of 2 parts. A silent auction and a traditional auctioneer-led event.

SILENT AUCTION - Will be on display at the auction table from 9:00 AM Thursday until 4:00 PM Thursday. Silent bids can be made at any time during that period. The highest bid at 4:00 PM Thursday wins the lot in question.

REGULAR AUCTION - Auction lots will be on display at the auction tables from 9:00 AM Thursday until 4:00 PM Thursday. The live auction for these lots will take place at 7:00 PM in the Joshua Room. Pre-bids are allowed and a pre-bid board will be displayed at the table for those who wish to place bids in that manner. Jim Kruse will be this year's auctioneer

Please remember to register for the 7:00 PM auction during the show and also take some time to view the 200 lots.

Annual Business Meeting

Saturday June 19th- 7:30 AM- Joshua Room

The Annual Club Business Meeting is the one opportunity members have each year to meet with the entire Board in person. The Club has many projects and activities going on and this is your chance to learn more about what the Club is doing. This is also your chance to be an active participant in your Club's business process. Take this opportunity to express your thoughts and ideas about the Club and what initiatives the Club should consider in its future planning. This is your Club and your elected Officers need your help in order to maintain our phenomenal success rate and grow the Club.

During the meeting you will hear reports from each Officer and you will be asked to help decide the issues relevant to the ongoing business of the organization. At the end of the meeting questions and comments will be solicited from the floor. This is the time for our members to come forward and share their ideas and comments.

THE JOSEPHINE STORY

In 2011 Robert Eisenstadt purchased the most extraordinary set of ivory poker chips at a small East Coast auction. He only knew two things about the set at the time of purchase: "Josephine" was the name of a ship and it was the most beautiful and complete set he had ever seen.

Robert teamed up with club member Richard Hanover who had an extensive collection of ivory chips and was able to offer his assistance. Between them they uncovered the major details behind the set.

The set was made in 1896 for Peter Arrell Browne Widener better known as P.A.B. Widener, one of the 100 richest men in the United States. He owned a 225 foot yacht called "Josephine" named after his wife and the set also called "Josephine" resided in the "CAPT. BIRTH" according to the inscription on the key fob to the case. Widener was part owner of the "White Star" line thus the white star in the center of the burgee, his personal flag. His son and grandson perished on the Titanic. One has to wonder who sat at the poker table with Widener and played with these beauties?

The tiger oak case has three pull out tiers holding 699 chips There is one \$5 chip mysteriously missing. The case has a working lock and key. The chips are 1 1/2" D and are beautifully hand painted and

scrimshawed on both sides. There are 100 white \$1, 99 red \$5, 150 blue \$10, 150 burgundy \$25, 100 orange \$50 and 100 lavender \$100. A lovely brass embossed plaque is on the lid of the box with three hand painted burgees (yacht flags).

A few years after Robert purchased the set I had an opportunity to view it and was dumbstruck by its magnificence. It is without a doubt the finest set of ivories known both in beauty and provenance. Many collectors tried to pry the set away from Robert but none were successful as he held firm to his not for sale rule.

On June 5th, 2020 Robert passed away and the family authorized Gabe Fajuri owner of Potter & Potter Auctions in Chicago to auction his extensive collection. Gabe decided because of certain legalities surrounding the sale of ivory items to no longer list them in his auctions. He returned the set to the family. In December of 2022 I was fortunate through Gabe's help to purchase the set from the family. I did not want to break up the set but after many attempts to sell the entire set intact there were no buyers. Sets of six chips are now being offered as well as singles of the \$10's and \$25's. A limited number of collectors will now have the buying opportunity of owning an extraordinary piece of history.

Guess who the Boss is...

Happy 100th Birthday!

My Mom, Pualani Mossman Kaiinapau Avon was the face and heart of Hawaii for 90 years. We honor her this month on what would have been her 100th birthday.

She was the original poster girl for the Matson Lines, the star of the first color movie made in the Hawaiian Islands, the star of the Hawaiian Room at Lexington hotel in NYC, the legend that the song Lovely Hula Hands was written for, the Co-Chairman of the Hawaii statehood Committee, and honored by the Hawaii Legislature as a "Legend of Hawaii" at the celebration of the Millennium in Hawaii.

On her birthday, she was honored by the Honolulu Advertiser, the Hawaii Visitors Bureau, The Royal Hawaiian Hotel, and Four County Councils, as the "Face of Hawaii", with the Hookahiko award for "Teaching the world about Hawaii"

Over a dozen different pictures of her appeared in national publications such as Life, Look, National Geographic, Ladies Home Journal, and others.

Randy and Nani stand in front of her picture at the Waikiki Duke's Hall of Fame wall on Waikiki.

She is shown here with Hawaiian All American and Olympic Champion Duke Kahanamoku at the World Famous "Mai Kai" restaurant in Fort Lauderdale and showcased in the Honolulu Star Bulletin as "Hawaii's Poster Girl"

Nani carries on Mom's special tradition today by dancing Lovely Hula Hands and the Hawaiian Wedding song as the VIP Guest at the Royal Hawaiian Hotel, The Mai Kai, the original Chart House in Honolulu, The Moana Surfride, the Hukilau, the Hilton Hawaii Village Luau, and weddings around the world. She was recently honored as the guest performer for the award winning Slack Key Ohana at the fabulous Tiki Oasis.

Aloha, Randy and Nani
