

Should you need to use this downloadable form, please take note of the following important instructions:

When you return the Call for Nominations, the Voting sheet for Membership Officer, and/or the Ballot for Constitutional Amendments, it is VITAL that you prepare the envelope as follows: On the rear of the envelope (NOT where you put Gene's address) put the name, address and membership #s of all members and associate members whose ballots are enclosed.

This is a 'secret' ballot and you should not put your name and/or membership number on the Ballot Form(s) themselves.
