

Call for Hall of Fame Recommendations for 2019

Membership in the Casino Chip and Gaming Token Collectors Club's Hall of Fame is the Club's highest honor. Each year several members are considered for induction into the Hall of Fame, based on the recommendations of the Club's members.

Consideration is given to their contributions to the hobby as a whole, their contributions to the Club, their impact on the hobby and on the Club, and their exemplary integrity and adherence to the principles upon which the Club was founded. The names of the members of the Hall of Fame appear below.

The selection of honorees each year is made by the Hall of Fame Committee, which consists of all living members of the HoF. The input of the membership in the selection process is indispensable. The members of the HoF cannot know every member of the Club, nor have knowledge of the contributions to the Club and the hobby that may have been made by each member.

Enclosed with this issue of Casino Collectible News is a recommendation form which we urge you to complete and submit to us so that we may consider the contributions of those members who you believe deserve the Club's highest recognition. **Please provide as much information as possible so that the Committee can give it full consideration.** The form may be mailed as indicated on the form itself, or your recommendation may be sent to the committee by e-mail.

The deadline for submissions is **February 1, 2019**, and the final selections, if any, will be announced at the Club's annual convention in Las Vegas. Only members recommended in the current year will be considered by the Committee. It is therefore important to recommend a member you believe to be deserving, even though you may have done so in the past.

Please take the time to recommend those you feel should receive the Hall of Fame honor.
