Greetings to all my fellow Club members. I would like to take this opportunity to discuss two of the most important aspects of our Club; membership growth and member volunteering. In these difficult times where we are losing members for a myriad of reasons, as we continue to strive for new members. Roy Nelson, our Membership Officer, is doing a great job in offering some incentives. And Past President, Doug Smith, with his “nearly half off” membership promotion, donates nearly half of the 1st year membership fee, for new member sign-ups.

Richard Huber, Past Membership Officer, and current CCA Newsletter Contacts Manager, is adding former members, from years past, to the contact list in an effort to entice them to return. All these efforts are appreciated and help stem the tide of non-renewing members.

What I believe we need further help with, is word of mouth communication with your circle of nonmember friends. This could go a long way in achieving success. Imagine if every single member were to recruit just one person, we could double our size in a very short time. Our two principal incentives to join are our award-winning magazine and ChipGuide with members-only benefits.

The aspect of being part of a group of like-minded individuals can also be communicated. Our Code of Ethics conveys a sense of trust in monetary transactions as well. I know many dealers who submit a Club application when sending out items purchased online. This is another great way to get our message out there. You can contact Roy Nelson at rknelsonlv@yahoo.com for some blank applications.

The next most important aspect concerning the longevity of the Club is that of volunteering. There are never enough volunteers for the many projects we are currently engaged in. I am not only talking about the help needed at the annual Convention and Show, but also the projects that we are engaged in throughout the year. Contact me at vergatos@msn.com for information on how you can be part of these exciting times. In particular, the Museum of Gaming History is in need of some help. They are embarking on many new and exciting events that just might yield an actual museum in a very short time. Contact Mike Quinlivan for more information at mpprod54@gmail.com

On a personal note, I do not wish to alarm anyone, but I need to inform you that my wife has accepted an Executive Position with Scientific Games in Glendale, Arizona. She has made a 3-year commitment to accept the position. I therefore will be relocating to Arizona within a month. I have no intention of resigning my position or diminishing any of my duties and responsibilities. I am making arrangements to facilitate my accessibility and do not see any real issue.

I will only be approximately 3.5 hours from Las Vegas and can coordinate any necessary appointments as needed. I will also be in town the second Tuesday of the month for the local SNCCC meetings, which provides me a window of opportunity to handle anything Club related requiring my presence. I have purchased a home there, but have not yet decided if I want to sell my home here. For many years my wife has always supported me in my career and made many sacrifices on my behalf. She now has an opportunity to fulfill her career dreams and I cannot stand in her way. If there are any concerns on your behalf, I will be glad to discuss them. You can contact me at vergatos@msn.com

Attention All CCA Club Members.

I am happy to announce the appointment of Brenda Reimer as our new Educational Chairman. I believe she is very capable of performing the duties and will do a very fine job. Please contact her if you have any interest in conducting an Educational Seminar at Convention time. Or, if you wish to suggest a particular topic to be presented.

Brenda has submitted a short write-up, which I am including here.

“It is my pleasure to take on the role as Education Director for the CCA. Here are a few words about what I hope to accomplish in this role.

As a college professor, I love to learn. Since I have been a member, I have learned so much about collecting and about Las Vegas history (my collecting focus). But that’s just the tip of the iceberg. Through our magazine and the convention seminars, I have increased my knowledge about chips from other areas of the United States and around the World.

My goal is to schedule seminars that are of interest to the membership. Ideally, the seminars will be a mix of topics we are familiar with and want to learn more about, and topics that might be new to most of us. The most daunting task will be the banquet speaker.

Our President, Jerry Vergatos, has a few names for me for our 2020 convention. I would love to begin creating a list of possible banquet speakers for future conventions. Please do not be shy about emailing me some names.

We have slots for 4 educational seminars on Thursday and Friday of the convention, but room for two additional ones on Wednesday, if we have enough interest and topics.

The CCA also has a great banquet speaker each year. Please contact me if you have an interest in presenting a seminar, or if you know someone who would be a speaker of interest. My email is thyminator@yahoo.com.

I look forward to helping make our conventions a success. I have big shoes to fill, and will do my best to bring the membership excellent seminars.”

Brenda Reimer

Thank you Brenda we will look forward to your involvement with this very important volunteer position for the CCA and wish you well.

Jerry Vergatos
### The Bruce Landau Memorial Auction...

The Club Auction is our largest money maker at the Convention. Our Auction Co-Chairs, David Spragg and Jay Sands, have put the auction together, by accepting and validating Lots, creating the Auction Catalog, and other related activities.

Alex Cilento organizes things on the Convention floor. Steve Wilson and Mark Russell do a lot of work helping at the tables, showing potential bidders the Lots and tracking pre-auction bids.

Tyrus Mulkey, of course, is our distinguished Auctioneer. Altogether these Club members run the auction very efficiently.

It should also be noted that as the years go by, we have been receiving fewer and fewer consignments from members; in particular, donated Lots.

Gratefully, David Spragg has seen fit to donate quite a few Lots, to make sure that we have an adequate number of items to sell.

Thank you David!

Everyone is asked to donate items for next year's Auction, now. Please contact David or Jay by email to get your items in early.

For, more information please contact David Spragg at: [davidspragg@zen.co.uk](mailto:davidspragg@zen.co.uk) or Jay Sands at [jaychip@sbcglobal.com](mailto:jaychip@sbcglobal.com)

### Attention Facebook Members...

Please visit the [CCA Facebook page](https://www.facebook.com/CCAUSA)! The CCA's Social Media Director, Chuck Sikora has been busy posting content, on a daily basis, to our Facebook page.

If you are on Facebook, please stop by to Like us, or sign-up or post content! Everyone is welcome.

Our thanks to Chuck for his efforts and we look forward to his future engagements with Twitter, SnapChat, Instagram and other social media outlets, to promote the CCA and our hobby!
CCA Raffle Returns for 2020...

The CCA will be running a raffle once again at the 2020 Convention in June and we’re looking for donations – chips, slot cards, hotel room keys, silver strikes -- anything casino-related that’s in good shape that you’d want in YOUR collection (no items that are in really poor condition, please).

These donated items will be raffled off at the 2020 Convention (June 18th through June 20th at the South Point in Las Vegas). If you’d like to help, please gather up your donatable items and send them to the the address noted below.

The Annual Convention Raffle is an important part of our Club’s fundraising efforts and proceeds from this event help keep Membership and Convention costs down and allow us to do all the things that we want to keep our Club and hobby enjoyable.

Now, with regards to raffle tickets – Tickets are a donation of $10 each or 3 tickets for a $25 donation. All funds raised for this event will go to the Club’s General Fund. You do not need to be present at the Convention to win (but it would make it a whole lot more exciting ). There will be drawings on Thursday and Friday during the Convention. The number of drawings as well as the number of winners per drawing per day will be determined by the number of donations received. If you want to purchase raffle tickets, please mail payment (payable to the CCA) to me at:

Doug Smith  PO Box 691085
Raffle Chair  Houston, TX. 77269-1085

I already have a few donations pledged, and, as usual, I will be adding items weekly as they come in.

Thanks for your help, donations & purchases as well as a huge thanks to all that contributed to past successful raffles.

Douglas Smith  Raffle Chair

You can help the MoGH achieve greater success in our efforts to add more content. This recent screen shot shows 234,451 images are currently on ChipGuide. But we have plenty of room for more. Do you have scans of casino memorabilia and collectibles that could added, then please visit the site and offer your scans by clicking on "SUBMISSIONS".
Changes are happening at The Neon Museum. As they prepare for a major Special Event, that hosts a Tim Burton Experience for several months, the Neon Museum has respectfully asked that we remove our display from their Lobby.

On September 27th, the Sahara Tribute display will be removed, so there is still time to stop by and take a look.

The Neon Museum informed us that they were honored to have our displays there (previously a Stardust tribute and a Golden Nugget tribute) and we look forward to re-establishing our presence there at the conclusion of the Tim Burton event.

The MoGH thanks and appreciates the Neon Museum for the past several years in having our presence in their Lobby.

MoGH Board and Advisory Committee Changes

Sheldon Smith, for personal reasons, has stepped down as a MoGH Board member. His duties have been split between current Board members Doug Smith (Public Relations) and Steve Palumbo (Advisory Committee Liaison). Sheldon assures us that he remains an ardent supporter of the MoGH, and we thank him for his service!

The MoGH has expanded it's Advisory Committee with the addition of 3 new members, Tom Dyer (retired Nevada State Museum), Geoff Schumacher (Mob Museum) and Rob McCoy (Neon Museum).

Bio's and additional details will be shared in next month's CCA Newsletter.

Gentlemen, Welcome Aboard!

Thank you for the DONATION....

From time-to-time, the MoGH receives an unsolicited donation. This Newsletter now affords the MoGH the opportunity to publicly acknowledge such donations. In this instance, we thank Archie Black for this set of personal chips that commemorate each of the Club Presidents, noting their years of service.
Congratulations to Life Member Paul Schaffer!

During the 2019 CCA Convention, Paul Schaffer entered an Exhibit that was also an attempt to break the then current Guinness World Record for the largest $1 casino chip collection. Following the Convention, Paul submitted his documentation to certify his entry and late this August, Paul was notified by Guinness representatives that he had in fact, set a new World’s Record and he is now the current record holder at 802 different, $1 casino chips!

Think you want to try and beat that record, well Paul invites anyone to contact him for details on how to go about it during the 2020 Convention. Contact Paul at: minn4x4@comcast.net.
