Publication Policy

The CCA Newsletter is intended to provide timely information about the CCA to CCA members and interested others, by email subscription.

A subscription, at no cost, is available by contacting Richard Huber at burbankchipper@aol.com. Subscribers can opt out by following the instructions included in each email of the Newsletter.

The CCA Newsletter, in addition to publishing news and information about the CCA (which includes the Museum of Gaming History (MoGH)) also allows content regarding our partner organizations and their activities.

The Newsletter also publishes content about the casino collectibles hobby, which includes CCA member business cards, news from various casino collectible clubs (Local Clubs) and other outside content. In doing so, the CCA is simply providing information of possible interest to our members, and collectors in the hobby and does not specifically endorse or promote those entities. Some content is edited to be allowable in accordance with the CCA's 501 (c) (3), Not for Profit status.

EDITOR'S WELCOME

With heart felt apologies, the CCA Newsletter is now back. I thank you for your continued readership!

For me, it has been a rough several

months, and I am glad to be returning to some normalcy in my casino memorabilia life.

Much has happened since our last issue and hopefully this issue will be able to play catch-up with many items and then move forward from there. Inside you will find information regarding our most recent Election process for President and Secretary, as well as the Special Election to place a new Membership Officer for the balance of the vacated Membership Officer position.

The CCA Board is now back to a full 5 member Board, which is detailed in the *On The Docket* section on page 3.

Another item of interest is the Hall of Fame recommendation process, which has a very short fuse to submit a recommendation.

Inside you will find details to participate in the CCA's annual OTY Awards by submitting qualified candidates for Chip of the Year, Silver

Strike of the Year and Room Key/Slot Card of the Year honors.

There are details for donating Convention Raffle prizes, as well as how to buy Raffle tickets.

The Convention Chairman, Jim Steffner is well positioned to make this year's Convention a great success as we celebrate our 30th Convention. In fact, this year's Convention Theme is celebrating our 30th event!

Sadly, the MoGH has lost another *Trail of the MoGH* milestone, but efforts are underway to add more milestone locations in and around Las Vegas.

The CCA Board conducted a midterm Board meeting on February 1st, and some decisions and actions from that meeting are included inside, primarily on page 3's *On the Docket* section. Several Appointments are announced there.

Unfortunately, I have received zero support in attempting to provide New Release information on chips, and since the section did not include Silver Strikes, Room Keys or Slot Cards, I will drop it from the Newsletter.

Jim Follis

PRESIDENT'S MESSAGE...

Welcome to the latest issue of the CCA Newsletter.

I'd like to start by thanking more members, old and new, who have put

their hands up to help fill the various volunteer positions.

Promotions:

Promotions Director - Sharona Baichman has been appointed to the Promotions Director position. We welcome her on board.

Social Media - Chuck Sikora IV has been appointed Social Media Director, with a committee that includes Brad Smith and Ed Hertel. Look for their announcements.

Elections -

As you will read elsewhere, all positions were uncontested this year. Jay Sands had temporarily taken over Membership duties until the Special election. Jay then successfully stood for election as Membership Officer in the Special Election. James Hogg, incoming Secretary in June, has been appointed to the position for the remaining 4 months of the current term. Congratulations to both, and the CCA Board is now back to full strength!

Apologies for this being a very short message; two unplanned trips to the US have cut short my availability over the past month.

David Spragg

Annual OTY Awards are now open to Candidate submissions.

Unless you are very, very new to the Club, then you already know that as we "Welcome in the New Year", we also kickoff the OTY Awards.

While the New Year is focused on 2023, the OTY Awards will focus on 2022. This year will mark the 32nd OTY Awards Contest, which began in 1991 for 1990 issued Chips and Gaming Tokens, as Chip of the Year (COTY) and Token of the Year (TOTY). Over time, Silver Strikes were added as a separate category as Silver Strike of the Year (SSOTY) and later still, Slot Cards and Room Keys were added as a combined category for Slot Card/Room Key of the Year (CKOTY). With the advent of Ticket-In/Ticket-Out (TITOs) the minting of slot machine tokens have all but disappeared, so TOTY Awards have been put on hiatus, pending the issue of 5 or more unique slot machine tokens in a given year.

The OTY Awards are managed by Trey Warren, as the OTY Awards Director, following the services of Jim Follis and Archie Black in that role over the years. This post includes a link and image of the 2022 OTY Awards Nomination Form, which may be used by any CCA Member in good standing to nominate from 1 - 3 candidates for OTY consideration in 3 categories, COTY, SSOTY and CKOTY.

CCA NEWS and ACTIVITIES (continued)

Submitters are NOT required to provide a candidate for each category, nor the maximum number of candidates per each category, however, the greater number of nominees the greater the diversity when the contest moves from Nominations to Balloting.

Well, those are the basics, but for greater details, please see the fine print below.

The fine print, by Trey Warren...

Greetings Fellow CCA'ers,

The time has come to start the countdown to our 2022 annual convention! I am officially opening our CCA OTY nomination period and I will start collecting nominations for your favorite casino collectibles released in 2022!

We have 3 active categories of casino collectibles that you may nominate for the 2022 CCA OTY Awards:

1. Chip of the Year (COTY).
2. CCA Silver Strike of the Year (SSOTY*).
3. Slot Card/Room Key of the Year (CKOTY).

Here are our 2022 nomination rules:

- To submit CCA OTY nominations, you must be an active CCA member in good standing.
- Your choices for nominations must have been released in a casino in the year 2021 to be eligible for the contest.
- Nominations are now limited to 3 eligible casino items per category. You may nominate less if you wish.
- Nominations must be received by the deadline to be counted, prior to midnight (CST) February 28th, 2022.

*As a point of clarification, this is the CCA Silver Strike contest. There is a separate annual award contest held by the Silver Striker's Club which often causes some confusion. I am a member of both clubs, if you enjoy collecting Silver Strikes and are not a current club member, I encourage you to consider joining the Silver Striker's Club. You can find additional information or complete a membership application on Silverstrikers.com if you are interested in exploring membership.

CCA NEWS and ACTIVITIES (continued)

- Due to a lack of physical ballots received for the 2018 contest, we discontinued physical ballots in 2019, we will continue to take all nominations through email only. If you would like to submit a nomination and do not have access to email, please reach out to a fellow CCA Member that can submit your nominations on your behalf.
- Any items that were not released in 2022 will not be considered and will have to be resubmitted for consideration for next year's contest.
- After the nomination period has closed, I will publish our finalists in March, along with details on our voting process to choose the final winners that will be announced in June at the 2023 CCA convention.

If you need help reviewing options to choose your nominees, here are some helpful tips on locating images of chips, silver strikes, room keys, & player's cards that were released during 2021:

To look at 2022 COTY casino chip options:

1. Go to the The ChipGuide. (www.chipguide.com).
 2. Click "ChipGuide Query Facility" from the options under the "Features" section on the left side of the page.
 3. In the filter section, for Casino Status, select "Open". There are 2 filters that you will need to check, for Collectible Type, choose "Table Chips", the Date Range needs to be "Equal", and finally type "2022" in the Date 1 section. Then click "Query". After you review the options presented from your first search, you will need change the Collectible Type filter to "Limited Edition Chips" and click "Query" again to see the remaining nomination options.
- Take note of the "Issued" date to make sure your choice is eligible.

To review eligible 2022 SSOTY silver strikes nominees, access each of the following links online:

Links to view 2022 issued Silver Strikes are being developed as of press time and will be posted here when available.

To browse player's cards/rooms keys that were released in 2022:

1. Go to the The ChipGuide. (www.chipguide.com).
2. Click "ChipGuide Query Facility" from the options under the "Features" section on the left side of the page.
3. In the filter section, for Casino Status, select "Open". There are 2 filters that you will need to check, for Collectible Type, choose "Player's Club (Slot) Cards", the Date Range needs to be "Equal", and finally type "2022" in the Date 1

CCA NEWS and ACTIVITIES (continued)

section. Then click "Query". After you review the options presented from your first search, you will need change the Collectible Type filter to "Room Keys" and click "Query" again to see the remaining nomination options.

- Again, please reference the "Issued" date to confirm nomination eligibility.

Credit for these images go to our fellow collectors that are members of both the CCA and Silver Striker's Club that love our hobby and kindly submitted them to both the Chip Guide & to the Silver Striker's Club for posting on the websites. Since both websites rely our fellow collectors for image submissions, every piece released in 2022 may not be represented at this time. If you notice that a favorite item of yours that was released in a casino in 2022 is missing from any of the search queries, you are still welcome to nominate the piece for the 2022 CCA OTY Awards contest. Please send a scan of missing item when you submit your completed nomination form for eligibility verification.

I have 2 different email addresses that you may send your nominations to:
OTY@CCGTCC.com & link2179@juno.com.

When you submit your 2022 CCA OTY nominations be sure to include the following information:

- Your name & CCA Member number.
- For each nominated item, please specify the category (COTY, SSOTY, CKOTY), the casino name, the denomination (if it applies), a description, the city/locale, & the state/country that the nominee was released in.
- An image of each nominated item if available.

I hope that all CCA members will have fun and send in a few nominations for the 2022 contest! Please stay tuned for additional 2022 CCA OTY Award updates in our newsletter, future issues of the CCA Casino Collectible News, and on our chat boards as well.

See You in June!

Musings from the MoGH

Total Items on ChipGuide is 308,496 as of publication date. You can help the MoGH achieve greater success in our efforts to add more content to ChipGuide. Do you have casino memorabilia and related collectibles that are not in ChipGuide? If so, we encourage anyone, Club member or not, to submit images and descriptions of such items to ChipGuide via this [Submission](#) link.

Cheater Devices Exhibit has been retired.

Sadly, the MoGH's Agreement with the Nevada State Museum and Nevada Gaming Control, has come to a conclusion, after 3 years. Originally set for 12 months, both the Museum and Gaming agreed to 2, 12 month extensions, which expired at the end of December, 2022.

After the logistics to remove the Exhibit were arranged, MoGH Board members Ted Whiting and Jim Follis de-installed the Exhibit on January 31st, 2023. In attendance were 2 representatives from

Musings from the MoGH (continued)

the Las Vegas Review and Journal newspaper, as part of a future, series of articles being developed by the newspaper about Gaming Control's Black Book. Both a seasoned reporter and photographer were present to take pictures of the devices and interview both Ted and Jim. A publication date has not yet been set

Speaking of MoGH Board member Ted Whiting, Ted has created a unique fund raising activity for the MoGH. Ted is an avid reader and gaming historian buff and has offered a unique opportunity to the MoGH. Ted finds old, out-of-print gambling related books that have also transitioned into the Public Domain. Ted, gives these finds a new cover design, reprints them in their entirety, and makes them available on Amazon. Charles Kaplan has modified the MoGH's ChipGuide site to sporadically display a green colored banner ad that shows several available titles.

Clicking the titles will take a viewer to Amazon to see additional book details and make a purchase. 50% of the purchase price goes to the MoGH and the remainder to Ted, but he pays for publication and shipping costs out of his portion.

To facilitate payment options, the CCA's Treasurer has set-up a Zelle account to transfer funds for these purchases. Thank you Ted Whiting for this novel approach to MoGH Fundraising.

In agreement with Mikko Melandr and Gregg Fisher, the *Trail of the MoGH's* Guinness World Record holder of the World's Largest \$1 Casino Chips and Tokens Collection, has been extended for an additional year of public display at Spinettis Gaming Supplies. Thank you Greg and Mikko. If visiting Spinettis Gaming Supplies, be sure to see the Record Holding Exhibit, with 2,222 individual, and different,

Musings from the MoGH

casino chips and tokens. Also on display at Spinettis is Andy Martello's, *Trail of the MoGH* El Rey Club of Searchlight, Nevada Exhibit. And, Spinettis offers a 10% discount to CCA members.

The Mob Museum is in search of Frank Sinatra timeframe Cal-Neva memorabilia for a new display at the Mob Museum. If you have any such material and would like to consider making an arrangement directly with the MoB Museum, you are encouraged to contact Charles Kaplan or Jim Follis to be placed in direct contact with the Mob Museum's representative.

With thanks to Charles Kaplan. Over several days in early February, Charles spent the better quite a bit of time at the MoGH's primary storage unit, re-arranging, inventorying and organizing the area. Charles is developing a definitive process and procedures methodology for the management of where MoGH property is located, a definitive, digital-based inventory recording mechanism and other related control methodologies.

News From Around the Hobby...

COLORADO Club Disbands.

There were 8 members at our November 20th (2022) meeting. We did a little business of buying, selling, trading, and everyone had a good time. We did make the decisions to disband our Club, and all the money in the checking account, and cash on-hand, was donated to the American Legion Post 21 Auxillary for use at the Post. The Post had treated us very well over the

News From Around the Hobby (continued)

time we've met there and that seemed appropriate.

HOWEVER, through the courtesy of member Brice Young, a member of Post 21, there will continue to be future meetings at the Club on the same schedule as we have been maintaining. That is every other month on the third Wednesday at the Post. Next meeting is March 15, 2023.

So, to summarize, the Club is officially dead, but we will continue to unofficially meet to buy, sell, trade and swap stories, etc. Not sure what kind of notices will be sent out, but I won't be the one doing it. So, some of us will continue to meet. It has been fun.

Good luck, good health and happiness to all.

Sincerely,

Ken Hallenbeck
