**Please note that the first 20 lots in this auction, numbered 'A to T', will be auctioned by way of a 'Silent Auction' during the Convention itself on Thursday, June 16<sup>th</sup>, 2022. These lots will be available for you to view and place your bids at the auction table on the bourse floor.**

1. This is an auction sale conducted by the Casino Collectibles Association (CCA) hereinafter referred to as "the Club" and "Auctioneer". Participation in the floor bidding of the sale will be limited to members of the Club unless otherwise pre-approved. The Auctioneer may not withdraw any lot after a call for bids from the floor of the sale has been made. This is an auction sale and not a fixed price list. This is not an approval sale. Lots may be returned only if there has been a misrepresentation of the merchandise. All sales will be considered final on the 30th day after the close of the sale. Lots are sold to the highest bidder as of the close of the sale on Thursday, June 16, 2022.

2. The highest bidder acknowledged by Auctioneer shall be the buyer. In the event of any dispute between bidders, the Auctioneer may at his sole discretion immediately put the lot up for sale again. The Auctioneer's decision shall be final and binding upon all bidders. The Auctioneer reserves the right to accept or reject any bid at his discretion. We will not accept a "buy" bid on any lot. The Auctioneer reserves the right to refuse blanket or "total value" bids. The Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid which in his opinion is not submitted in "Good Faith" or as the case dictates, is not supported by satisfactory credit references, as the Auctioneer in its sole discretion shall determine. Reserved lots are noted, otherwise lots are unreserved. All advance bids for lots will be accepted on the floor of the convention until 4pm, Thursday, June 16, 2022, at which time ALL bidding will close for the Silent Auction Lots 'A to T'. The winning bids for those lots will be announced immediately prior to the start of Live Auction (Part II).

3. All bids are to be per lot as numbered in this catalog. No lots will be broken. The Auctioneer reserves the right to withdraw prior to a call for bids any lot or lots from the sale. Bids are to be submitted according to the bidding increments indicated below. Bids received in fractional amounts will be rounded down to the next bidding increment. If your bid is the highest bid we receive for the lot, and you comply with the terms of the sale, you will be the buyer of that lot. Raises in floor bidding will be made in the same fixed increments. There will be a minimum starting price of \$5 for all donated lots. The auctioneer may lower any starting prices in the auction room at his discretion only in the event of no bids whatsoever having been made except where a reserve or minimum starting price has been agreed with the vendor. Bidding thereafter will be in the following increments

Bids from \$5 to \$100	– increments of \$5, e.g. \$5, \$10, \$15 ...
Bids from \$100 to \$300	– increments of \$10 e.g. \$110, \$120, \$130 ...
Bids from \$300 to \$500	– increments of \$20 e.g. \$320, \$340, \$360 ...
Bids from \$500 to \$1,000	– increments of \$25 e.g. \$525, \$550, \$575 ...
Bids \$1,000 and above	– increments of \$50 e.g. \$1,050, \$1,100, \$1,150 ...

4. A "buyer's fee" is payable by the buyer as part of the total purchase price. A "buyer's fee" of 10% of the winning bid price will be charged on all lots (RESERVED & UNRESERVED) in this sale. The buyer's fee will be added to the winning bid (i.e. a winning bid of \$100 will be charged \$10 buyers fee) and added to the invoice. Please calculate your bids accordingly.

5. All sales are strictly for cash in U.S.A. dollars and are due and payable immediately upon receipt of the auction invoice or, if payment is to be made at the auction sale, then simultaneously with the receipt of the lots won. Bidder personally guarantees payment of all successful bids. Title to all items remains with the Auctioneer until full payment is effected. For lots sold to mail bidders, invoices will be prepared and mailed within 10 days after the sale closes. Payment is due upon receipt of invoice. All lots will be sent to the successful bidder upon receipt of payment. Lots delivered in the State of Nevada are subject to all applicable state and local taxes. All applicable taxes will be paid unless the buyer submits to the Auctioneer a valid resale permit. Shipping, handling, and transit insurance charges will be added to invoices for the lots delivered by mail. Overseas buyers must furnish their own insurance covering shipment. In the event that a successful bidder fails to pay all amounts due, the Auctioneer reserves the right to resell the merchandise or return it to the consignor and the buyer agrees to pay for the reasonable costs of such a sale including a seller's commissions, and also to pay any difference between the resale price and the price of his previously successful bid. All payments will be made to CCA (or CC&GTCC).

6. ALL SUCCESSFUL BIDDERS WHO ARE PRESENT AT THE CONVENTION (regardless of whether they were in the live auction room) must pay for their lots before the end of the convention with no exceptions. Settlement may be made at the auction table on Friday 17<sup>th</sup> or Saturday 18<sup>th</sup> June between 11am & 2pm.
7. Nevada Sales TAX will be added to the price of all lots purchased and taken at the time of the sale. Lots that are shipped out of Nevada to the buyer will not be charged sales tax, but will be subject to shipping and insurance charges per the schedule provided or as noted on specific lots in this catalog. Dealers with valid resale licenses MUST PROVIDE a copy of their resale number to the cashier to avoid sales tax.
8. All bidders who have mailing addresses outside the United States of America, the Territories of the USA, Canada or Mexico, or have addresses through the U.S. Military and persons who have APO or FPO box numbers may be asked to deposit with the Auctioneer 25% of the total amount bid in U.S.A. dollars unless terms and arrangements have been agreed in advance with the Auction Chairmen or Auctioneer. Any portion of such deposit not used will be promptly refunded after the sale.
9. The Auctioneer is selling only such right or title to the merchandise being sold as Auctioneer may have by virtue of his consignment agreements on the date of sale and disclaims any warranty of title to the merchandise. Any description of the gaming checks, gaming tokens or other items contained in this catalog is for the sole purpose of identifying the items in the lot and no description of the lots has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by the Auctioneer. The Auctioneer disclaims any warranty of merchantability or fitness for any particular purpose. All lots are guaranteed to be genuine.
10. The descriptions provided in this catalog are intended solely for the use of those bidders who cannot view the lots in person prior to bidding. All bidders who have inspected the lots prior to the auction will not be granted any return privileges, except for reasons of authenticity. It is presumed that all floor bidders have inspected the lots prior to bidding. Therefore, lots purchased by floor bidders are sold "as is" and may NOT be returned. Floor bidders include those bidders acting as agent for others. No claims of any kind (except for reasons of authenticity) can be considered after the settlements have been made with the consignors. Any dispute after the settlement date, June 19, 2021, is strictly between the bidder and consignor without involvement or responsibility of the Auctioneer. The Auctioneer or affiliates may consign items to be sold in this auction sale, and may bid on those items or any other in the sale. The Auctioneer or affiliates expressly reserves the right to modify its bids on these items or any others at any time based upon data made known to the Auctioneer or its affiliate. In the event of an attribution error, the Auctioneer may, at the Auctioneer's sole discretion, correct the error orally at the sale, or, if discovered at a later date, to refund the buyer's money without further obligation. Under no circumstances shall the obligation of the Auctioneer to any bidder be in excess of the buyer's premium for any lot in dispute. If any disputes arise regarding payment or authenticity, or grading between bidder and Auctioneer, or any other matter pertaining to the sale, the bidder, a participant or the Auctioneer the dispute shall be submitted, if otherwise mutually unresolved to binding arbitration in accordance with the rules of the American Arbitration Association (A.A.A.). If an election not made within (10) days of an unresolved dispute, Auctioneer may elect the Casino Collectibles Association (CCA). An award granted in arbitration enforceable in any court. BY THE ACT OF PLACING BIDS IN THIS AUCTION, YOU ARE AGREEING TO THE TERMS OF SALE. As stated in the call for lots, there will be a 10% commission fee to the seller on all RESERVED & UNRESERVED lots.
11. Consignors have the right to protect their own UNRESERVED lots by bidding in advance, by proxy or in the live auction room. A consignor that buys back his lot will pay the regular 10% buyers premium but the 10% sellers commission will be waived.
12. Estimates of the value of lots are based on our knowledge of the market and rarity of the item. Book values rather than estimates are provided where appropriate. Reserve lots are noted. All other lots in the sale are to be sold without reserve. Lots have been fully described as accurately as we can. Grading of the lots is generally based on the OFFICIAL CCA GRADE & CONDITION DESCRIPTIONS.

GRADING DESCRIPTIONS or STANDARDS are a result of natural use of chips and tokens. The following five grades have been adopted and endorsed by the Casino Collectibles Association: NEW, SLIGHTLY USED, AVERAGE, WELL-USED and POOR. In some cases we may also use VSU (between New and SU).

**GAMING CHECKS & CHIPS:**

GRADE	DESCRIPTION OF GRADE
New (N)	Never used in games; square and round edge chips will be as from the manufacturer with absolutely no wear, no dings or nicks; no scratches on surface of chip or inlay.
Slightly Used (SU)	Only slight signs of use, edge still crisp but ever so slightly dulled with very little wear; cross hatching may show slight wear near edge; few or no edge nicks; still retains luster in mold design; bold hot-stamp; inlays excellent.
Average (A)	Typical chip found in play after months/years of use; slightly rounded edges; will have minor defects such as small nicks on edges; inlays are beginning to show even wear and about half of the cross hatching has worn from the body surface; hot-stamps have dulled, beginning to show even wear and may be missing a small amount of foil.
Well-Used (WU)	Moderate and uniform wear of edge, surface and hot stamp; noticeable edge nicks and/or surface scratches; no luster in mold design; cross hatching is nearly worn off; hot-stamp is still readable but much of the foil is missing.
Poor (P)	Edges that were formerly sharp and square, are now well worn like bicycle tires; Original hot-stamp foil is mostly missing with only the recesses visible (may have to hold towards a light); moderate to large chips (nicks); surface cross hatching barely visible (if at all); severe scratches to inlay or chip surface; severe color fading; partial war up to half of CHIPCO design from the edge of the chip. (Damage, such as cracks, breaks, missing inlay or other chip structure, does not apply to this category.)
Specimen, Sample, Prototype, Pattern	Produced by the manufacturer as imprimaturs of a type of chip, or for submission to a gaming operator or gaming control authority as representative, for approval. May or may not be completely finished.

**How to Bid in the Auction**

Thank you for your interest in our 2021 CCA Auction sale. We are happy to offer an outstanding selection of gaming checks from around the world and Nevada. Please read our terms of sale carefully. We wish you luck in your bids. Some of the following information will assist you in your bids.

We will not accept a “buy” bid on any lot. We reserve the right to refuse “blanket” or “total value” bids. We reserve the right to reject any bid.

We have illustrated all of the lots. We feel that many of the lots are nicer than they might appear in the illustrations. Please realize that the financial limitations of reproducing photos at a reasonable cost in a small catalog can govern our quality. We have made every effort to correctly describe the lots and give a true evaluation of their condition. All of the lots have been graded based on CCA grading standards for checks, tokens or other material.

We will be taking advance bids prior to the convention this year. Also, club members will have the opportunity to request a proxy bid for any lot in the auction. Any club member that would like to either bid in advance, or have a member of the auction committee serve as proxy bidder on their behalf, email (preferred) or mail their bids to the auction chairman at the address below. Please indicate the lot# and your maximum bid for each lot and whether you

are bidding in advance or by proxy. Of course, please include your name, address, and club membership number. Advance and proxy bids must be RECEIVED no later than Tuesday, June 7, 2022.

Please remember to bid in accordance with the bidding increments stated in the terms and conditions above, and also that in the event of equal bids, the earliest received will take precedence.

Send your advance and proxy bids to:

Special thanks once again go to the late Mark Englebretson's *The Nevada Casino Ashtray Project* and its many contributors for their contribution of images of those wonderful pictures of ashtrays and postcards in between the lots. We would like, also, to express our gratitude to David Sarles, our co-author of *The Chip Rack*, and James Campiglia and Steve Wells, the authors of *The Official U.S. Casino Chip Price Guide*, for allowing us to use their descriptions and other information.
