VOLUNTEER VACANCIES!

Welcome to our new **volunteer vacancies section**, which will become a regular feature here and on the club website.

The CCA is a wholly volunteer-run organization. As such it is inevitable that there are almost always volunteer vacancies in one or more areas.

Volunteers are the **backbone of the CCA**, looking after things as diverse as managing the club's property, photography or mentoring new members.

Volunteer positions can range from a couple of hours at the convention to a number of hours per week.

Some people are looking for new challenges after retirement or want to develop new skills. **There is something to suit everyone!**

Please take a look at the **vacancies** on the following pages and contact the relevant person to learn more if you are interested...

If you are interested in volunteering at the **Convention**, please contact Scot Parriott at hkp4@icloud.com for more information.

Do you have what it takes to be the new CCA Convention Chair?

A new Convention Chair(s) is needed from **2025**, although ideally any prospective volunteers would be available to shadow at **this year's show.**

This position reports to the BoD but has a large degree of **autonomy!** Logistical skills would be beneficial. The Chair is the primary contact with the hotel, suppliers and other relevant committee chairs.

Use your **unique ideas and creativity** to plan the show, sell the dealer tables and inspire the team to make this event more enjoyable every year.

The annual show at South Point brings together collectors and dealers from the US and the world to buy, sell and trade collectibles, learn and **have a great time!**

Contact Jim Steffner at jimsteffner@mail.com for more information.

Fancy developing or honing your publishing skills?

MAGAZINE CO-EDITOR NEEDED!

Steve Miller needs a new co-editor for the **club magazine** and **Convention program!**

There are three ways in which this may work. Firstly, you could be a direct replacement for Robb, responsible for **2 magazine issues a year.**

It could also be someone to assist Steve in collecting content and organising the layout for all four issues, plus responsibility for the annual Convention program. This option would give you the opportunity to learn how to use the software **over a period of time.**

Lastly you could be responsible for the Convention program **only**, but this option assumes you already have the relevant knowledge base.

Contact Steve Miller at lvsteve1@gmail.com for more information.

OTHER VACANCIES

ELECTION CHAIR(S)

We are looking for an Election Chair or Chairs to replace Acting Chair Doug Smith once this year's election cycle is over.

Responsibilities include calling for nominations, preparing ballot forms where necessary and tallying votes/announcing results.

Contact Doug Smith at msmith310@aol.com for more information.

GREG SUSONG AWARD CHAIR

A volunteer is needed to handle the annual Greg Susong Award. Again this includes dealing with nominations, ballot and votes. The winner is announced at the annual convention but it is not essential that the Chair is present to make the award.

Contact Jim Follis at jim@gamingore.com for more information.

GRAPHIC ARTIST

A graphic artist is required for occasional work including convention flyers, promotional items including chips, and possibly assistance with advertisements.

Contact David Spragg at president@ccgtcc.com for more information.

These 3 vacancies are not particularly time consuming but will involve working to reasonably rigid timescales.
