

## Robert Pardue – CCA Candidate for Secretary

### Background and Statement

I've tossed my hat in the ring for the position of CCA Secretary, to serve on the CCA Board of Directors. This is for the one-year unexpired term that runs from June 2026 to June 2027.

If elected, I plan to bring my years of experience as a long-time member of CCA and an active casino chips collector for the past four decades. My goal is seeing the CCA operate in the overall best interest of its members – providing value to established members and recent members and presenting an attractive proposition for prospective joiners as well.

For those who may not know me, you can call me Robert or Bob – either one is fine. I've been a member of CCA (originally CC&GTCC) since the beginning in 1988, and I am a Charter and Life member. I've been active as an individual collector, attending all but 3 of the Conventions in Las Vegas. I've also volunteered over the years in operating the club library (about 10 years) and as Co-chairman of the Poker & Blackjack Tournaments, with Gene Trimble (also about 10 years). I also volunteer each year at the Convention, and for the past couple of years, I have worked on the MG&E Committee as well. Oh, and you may have seen my occasional posts on the Chip Board and the CCA Forum message boards. 😊

I'm a big fan of casino history and casino operations, particularly in Nevada. Most of my collecting is with chips, though I do collect in other areas too. I'm also interested in casino architecture (themes) and the casino neon signs produced over the years.

If you want to know more about me, there's a recent "old timers" interview of me in the Fall 2025 CCN club magazine, as written by Mike Nawrocki, CCA Membership Officer.

I would be honored to receive your vote for Secretary.
