

My name is Wendy Schultz and I am running for Secretary of the CC&GTCC.

Some of you old-timers may remember my parents, Vince & Bettye Mowery, who were early members of the club. I am a second generation "chipper" who deals primarily in gaming tokens, following in my father's footsteps. I have had a dealers table at every convention since 2006 and have been a continuous member of the club since joining with my parents over 30 years ago. Married to my husband for 50 years, we have lived in southern Nevada since 1980. We have one daughter and one grand daughter.

I am currently Librarian for the club, although the Library has been inactive for a while. I was previously Secretary for the Southern Nevada Casino Collectibles Club for 3 years and was responsible for taking notes during the meetings, reporting the meeting records for the prior meeting and ensuring the licensing for that club was up to date. That club has merged with the Las Vegas Antique Bottle Collectibles Club dba Southern Nevada Collectibles Club and I am currently Vice President for that club. I sell gaming tokens, silver strikes and "trinkets" on ebay under the name tokens4u and enjoy working with plastic canvas projects.

My vision for the club in the years to come, like most, is growth but also financial success. We cannot continue to lose money year after year. This situation can be overcome not only by growing the membership but also by selling off the items that have been gathering dust in storage. We can do this through any number of auction forums. This will help get the word out about the club and its' activities and may help with membership if we include a link to the club website or a membership application with the auctions.

I want to be an active member of the Board and feel I can bring a fresh perspective to it. I am an honest, sincere and hands-on individual and feel I can bring a lot to the club. I ask for your vote to let me help make this great Club succeed. Thank you for placing your confidence in me.

Wendy Schultz
